3rd circular

BRIDGES 2022 is around the corner! More than 250 delegates from 40 countries have registered so far, and we are finalising the last details to welcome you online and onsite.

Please check this circular and prepare to spend a week sharing knowledge, learning, and discussing gender. The second page is for everyone, the third is dedicated to online attendance, and the remaining pages are for those attending onsite.

Last chance to **register** to attend onsite in Gandia (few places available) or online.

BRIDGES

CONFERENCE

**BRIDGES BETWEEN DISCIPLINES:
GENDER IN STEM AND SOCIAL SCIENCES**

Online/Onsite (Gandia – Valencia, Spain)
September 12th - 16th, 2022

BRIDGES 3rd circular Tips for everyone

Opening

We are glad to announce that the Secretary of State for Equality and against gender violence, Ángela Rodríguez, and the Mayor of Gandia council, José Manuel Prieto Part, will be present at the opening of the conference.

Access

A few days before the conference, everyone will receive a link to a private (password-protected) page. On that page, you will find access to different online sessions and events, and tips about the onsite venue too. This page will be useful you are attending online or onsite, so do not forget to check it out.

Interpretation

Thanks to a group of volunteers, we will be able to provide you with English-Spanish interpretation. In some specific cases, presenters will talk in Spanish and their talks will be interpreted into English. You will find information about how to activate interpretation on Zoom on the private page.

Format

A reminder that the time slot for oral communications is 15 minutes (10' for the presentation and 5' for questions).

Poster size should be A0 or smaller, vertical (portrait) orientation.

Please remember to check our **code of conduct** [here!](#)

If you encounter any problems, you can look for a member of the Anti-discrimination Committee onsite or online

BRIDGES 3rd circular Attending Online

Workshops

If you have registered for an online workshop you will receive an email with the specific link to your workshop a few days before the start of the conference.

Platforms

Ice-breaker, exhibition area, and poster session: we will have the chance to meet and interact face-to-face on **Gather**.

Talks: we will meet on **Zoom** webinars. Only presenters and chairs will be able to share videos and talk on Zoom. Everyone else will only be allowed to ask questions.

Communication: if you wish to interact with other delegates, ask questions (to presenters or the organisation) or have a quick chat about your experience over a coffee, join us on **Discord**.

When should I connect if I am presenting?

Please be sure that you are logged in at the **start of your session**, so the session coordinator can make you a panellist, otherwise, you will not be able to present and share your screen. Make sure that you have an updated version of Zoom installed to prevent issues.

Attending Onsite

How to arrive

The nearest airport to Gandía is **Valencia airport**. Once at the airport take the underground, line 3, direction Rafaelbunyol. Get off at Xátiva station and you will be at the Estació del Nord (train station in Valencia). From the Estació del Nord, you can take the train to Gandía.

From Gandia train station, you can take a bus, taxi, or walk to the Venue area (4 km).

If you are taking the bus, please look for a yellow bus called "La Marina", line 2. It leaves from the bus stop (number 4) just in front of Gandía train station. This bus will take you to "Grao de Gandía". Get off the bus at bus stop number 9 (Av. de la Pau - Església). The bus is circular and goes parallel to the beach all around Gandia Platja and Grao de Gandía. You can take it to go to your hotel too.

You can find more information about how to arrive [here](#).

Be aware that, in Spain, it is mandatory to **wear a mask** on public transport.

Bus stop in front of RENFE Gandia train station

BRIDGES 3rd circular Attending Onsite

From Monday 12th at 8:30 am we will be waiting for you at the Campus de Gandía de la Universitat Politècnica de València, Building G.

Look for this entrance. There will be signs with the BRIDGES logo on campus guiding you there.

BRIDGES 3rd circular

Attending Onsite

Covid measurements

The social activities (ice breaker, coffee breaks, exhibition areas, closure dinner) will be held in the open air. Wearing masks is not mandatory in Spain (only at public transport, pharmacies, and hospitals), but we encourage you to wear them in closed spaces.

If you have Covid symptoms, please let the organisation know.

Accommodation

The campus is located in the Grao de Gandia (red mark on the map), a very popular area for travellers, so you will find many accommodation options, including hotels, apartments, and campsites.

Be aware that the city of Gandía is a few kilometres away from the Venue. Please look for **accommodation** in the **"Grao de Gandia"** or **"Playa de Gandía"** or **"Platja de Gandia"** (shaded area on the map), so that you will be within walking distance from the Venue.

Ice breaker

The onsite ice-breaker will be held on Monday 12th at 19:00. **We will meet at the beach**, 400m from the Venue, at a "chiringuito" (a Spanish take on an informal beach bar). You can register at the Venue and then go to the ice-breaker.
